Do NOT Feed Alligators or Other Wildlife!

Campground Rules & Information

- Check-out time is 11am. Gulf State Park Campground Office hours are 7am - 10pm. Check-in time is 2pm. Late arrivals will receive a gate code via email.
- Campers must provide their own camping equipment suitable for the location. A camping permit is required before setting up camp. It is mandatory to have a camping unit to register. Campers are not permitted on primitive camping sites. If you change your mind about the type of site you were assigned, and find a different type of site, you must return to the campground office to make this change before you set up your tent or camper. Maximum capacity per site is 8 persons and 2 motor vehicles. Occupancy is limited to 14 days except November 1 through March 31.
- Reservations must be cancelled 72 hours prior to the arrival date for a full refund, less the \$5 transaction fee. No refund will be given for reservations cancelled within 72 hours of the arrival date. Refunds will not be given for inclement weather. This policy applies to standard reservations, not monthly reservations. Monthly reservations have a separate cancellation policy. Please call for details. Cancellations can be made online.
- Only one camping unit per site. A 2nd tent is allowed on a site, either with another tent or with an RV, only if it is for minor dependent children under the age of 18 years. There will be an additional charge of \$5.00 per night plus tax for the 2nd tent.
- Only two (2) vehicles allowed per campsite. Registered camper's vehicles must have a windshield card on the dash of the driver's side of the vehicle. Extra vehicles are not allowed to be parked in the campground. Some sites require parking parallel with the road. Please do not pull down onto grassy areas. Keep your vehicle parallel to and off of the roadway. PARKING ON ADJOINING CAMPSITES IS PROHIBITED. Any vehicles parked incorrectly will be required to be moved.
- Pets are welcome but MUST BE on a leash no longer than six feet at all times. Do not leave pets outside unattended. PLEASE PICK UP AFTER YOUR PETS.
- Visitors: All sightseers and guests visiting with registered campers must pay a day use fee to enter the campground.
- Draining water, soap, grease, or any other waste product onto the ground or into anything other than an approved holding tank, sewage receptacles or dump station is a violation of State Law. Electric Scooters, Mopeds, Minibikes, Motor Scooters, Go-Carts, Golf Carts, and any other type of motorized vehicle is not allowed to be in the campground unless it is a licensed vehicle. Only licensed drivers and licensed vehicles are allowed to utilize park roads. Registered and licensed golf carts are allowed, but must be driven by a licensed driver. This does not limit the use of equipment to assist handicapped people.
- No open fires are permitted except in the grills provided at each campsite. Camping on one site and using the fire pit or ring on another campsite is not allowed. Campers may bring their own fire pit if it is at least six inches off the ground.
- Pick up downed wood only for campfires. No cutting of trees, branches or bushes is allowed. Cut up any wood used for campfires so it is contained within the fire pit and is not on the ground. No chainsaws allowed in the park. Campfire wood is available for purchase at the Camp Store.
- Deposit trash in dumpsters located on your right as you exit the campground. Please follow posted rules regarding dumpster contents.
- Alcohol possession and consumption is prohibited in Gulf State Park beach areas, the pool, the Lake Shelby picnic area, the Beach Pavilion, and all other facilities within the park. Alcohol possession and consumption is permitted on your campsite. It is illegal to have open alcohol containers in a motor vehicle in the State of Alabama. Public intoxication will not be tolerated at Gulf State Park.
- Swimming allowed in the roped-off beach area ONLY. Swimming, wading, floating, etc., is not allowed from campsites or any other lakeside areas. Swimming is only allowed in the day use area of Lake Shelby, which is located off of State Park Rd.
- Quiet hours are enforced from 10 pm until 6 am.
